AMENDMENT 2-NOTICE TO OFFERORS/SOLICITATION

Project Description: Rydell Maintenance Building

Location:

Rydell National Wildlife Refuge
Erskine, MN

Instruction to Offerors:

Return Acknowledgment of Amendment 2 with your proposal response.

Response Due Date IS NOT Extended: 1:00 PM CST – Friday, August 9, 2024

Description of Amendment:

The purpose of this amendment is to:

1. Answer the following questions:

Q1-Where are the corner guards?

A1-Corner guards are not included in the design. Please disregard any references to corner guards in specification 102600.

Q2-Section 102800 - Are any waste receptacles, combination toilet/waste receptacles, tampon vendors, seat cover dispensers, occupancy indicators, or diaper changing stations required?

A2-Provide restroom accessories shown on drawing sheet A15. If a restroom accessory is listed in specification 102800 but not shown on drawing sheet A15, please disregard.

Q3-Are the 4 lockers to be included since there is no specification section for them?

A3-Yes. Please see attached specification.
